

Bibliography of Thai Christianity
An English-Language Bibliography of Materials
Related to Christianity in Thailand

Last New Entries: April 2018
Last Edited: December 2019

The purpose of this bibliography is to provide an extensive listing of resources for the study of Christianity in Thailand. As a rule, it cites only sources that are directly and clearly about Christianity in Thailand.

While this pdf version of the bibliography duplicates the one housed on this website previously, I have made some editorial corrections and have also added annotations [in brackets] to entries for which pdf copies are housed on this website. They include things I have written (**housed at “Individual Works”**) and a variety of other sources (**housed at “Other Sources”**) otherwise not Accessed.

Thai authors are alphabetized by first name.
